These settings were calibrated and field tested. However, age and condition of spreader, speed of operation and evenness of terrain may require slightly different settings for desired coverage.

Apply only to actively growing turf. Do not exceed 3.2 lbs. of total nitrogen per 1,000 sq. ft. annually.

In Maryland, New Jersey, New York and Virginia: This fertilize contains phosphorus and may not be used for lawn maintenance on turf in the states of Maryland, New Jersey, New York or Virginia except when

1) Providing nutrients to specific soils and target vegetation as

determined to be necessary in accordance with a soil test that was conducted by a laboratory* performed no more than 3 years before the application; 2) Establishing vegetation for the first time, such as after land

disturbance, provided the application is conducted in accordance with the recommended application rates established

or 3) Re-establishing or repairing a turf area *In Maryland, the laboratory must be identified under Section 8-803.7 of the Agriculture Article, Annotated Code of Maryland.

In New Hampshire: This fertilizer contains phosphate. In New Hampshire, phosphate fertilizers may only be used for turf maintenance in golf courses, parks, athletic fields, and sod farms.

Hazard Statements

Causes skin irritation May be harmful if inhaled May cause respiratory irritation Causes eve irritation

Precautionary Statements

Wash hands and exposed skin thoroughly after handling. Wear protective gloves/protective clothing/eye protection/face protection. If in eyes, rinse with water and seek medical attention if symptoms persist. Take off contaminated clothing and wash before reuse

IF INHALED: Call » POISON CENTER or doctor/physician if you feel unwell. If skin irritation occurs: Get medical advice/ attention. If eye irritation persists: Get medical advice/attention.

Store locked up.

IF ON SKIN: Wash with plenty of soap and water.

Store in a well-ventilated place.

Keep container tightly closed. Dispose of contents/container properly as required by law for waste

Keep out of reach of children Precautionary Statements for disposal - Dispose in accordance with all

federal, state and local regulations.

Fertilizer may cause irritation of eyes, nose, throat, and skin. In case of contact with skin or eyes, flush with plenty of water; for eyes get medical attention.

Use in accordance with recommendations of a qualified individual or institution, such as, but not limited to a certified crop advisor, agronomist, university crop extension publication, or apply according to recommendations in your approved nutrient management plan.

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn, and sweep any product that lands on the driveway, sidewalk, or street back on to your lawn.

Do not apply to frozen ground

NOTE To the extent consistent with applicable law, Buyer assumes all responsibility for safety and performance if this product is not used according
