Commercial Ice Melter

WITH CALCIUM CHLORIDE

**YOUR COMMERCIAL
ICE MELTER SOLUTION**

**MORE EFFICIENT ICE MELTING FORMULA • FAST ICE MELTING ACTION
DOESN'T STAIN OR TRACK INDOORS***

SEE HOW GOMELT PLUS™ COMPARES TO THE COMPETITION

Made from the latest in aviation de-icing technology used at major airports and infrastructure concious facilities across North America. When compared to conventional ice melt blends, GOMELT PLUS™ Commercial Ice Melter's unique SmartMelt formula has quicker ice melt actiavion, superior low temperature ice melt capacity and doesn't track or stain front entrance ways when used as directed. GOMELT PLUS™ unique anti-ice barrier feature also helps prevent snow & ice buildup when used prior to winter storm events. Don't put your professional reputation on the line with a conventional blended retail ice melter. Put your trust in a proven commercial ice melt product that is engineered for professional results.

Higher brine value (bv) indicates more ice melt

-24°C / -12°F
Our products will melt ice below -24°C / -12°F.

SHRP 205.1
Ice melt capacity tested by third party labs to verify all claims.
