TURFEX

TL80/TL80SS

TurfEx® push sprayers are completely battery powered, lightweight and easy to use. A push sprayer makes spraying fertilizer, pesticides, herbicides, or water easy. The sprayer utilizes a boomless nozzle for front spraying of small to mid-size areas or an attached wand sprayer to get spray into hard-to-reach landscape areas. TurfEx push sprayers are an excellent choice for a variety of landscape and grounds care applications. Trust TurfEx for all your push sprayer needs.

Features:

- Available in powder coated handle (TL80), stainless steel handle (TL80SS)

Each unit features:

- 12v rechargeable battery
- 12 gallon tank
- Boomless wide-angle fan nozzle for more efficient application
- Hand spray wand for spot treatment
- 8 ft hose length and large pneumatic tires
