Phone: 830-426-3011 Fax: 830-426-2288

Product Name: **Medina Liquid Seaweed**

Description: Liquid seaweed extracts with liquid Humic and fulvic acids added.

Section 1: Identity

Manufactured by: Medina Agriculture Products Company, Inc., PO Box 309, Hondo, Texas 78861
Phone: 830-426-3011 / Fax: 830-426-2288

Section 2: Hazardous Ingredients/Identity

This product contains no compounds of a hazardous nature.

Section 3: Physical/Chemical Characteristics

Boiling Point: 221-220F	Specific Gravity: 1.1
Vapor Pressure: N/A	Evaporation Rate: N/A
Vapor Density: N/A	Melting Point: N/A
Solubility in water: 100%	Appearance & Odor: Dark, amber-colored viscous translucent liquid with malt-like odor

Section 4: Fire and explosion data

Flash Point: N/A
Auto Ignition temperature: N/A
Flammable limits in air (% by vol.): N/A
Unusual fire & explosion hazards: N/A
Fire extinguishing media: Use water spray, foam, dry chemical or carbon dioxide

Section 5: Reactivity

Stability: Stable
Incompatibility: Avoid contact with acids and strong oxidizing agents
Hazardous polymerization: N/A
Hazardous decomposition: N/A

Section 6: Health Hazards

Inhalation: If inhaled, move to fresh air. If breathing is difficult, contact a physician.
Ingestion: If ingested, drink large quantities of water, then induce vomiting.
Eye Contact: May cause irritation and burning. Promptly flush, continuing for 15 minutes. Get medical attention if symptoms develop or persist.
Skin: May cause irritation. Wash affected skin with soap and water. Get medical attention if irritation persists. Always call a physician if symptoms appear or persist.

Section 7: Spills, Leaks, and Disposal

Recover as much as possible and put into container for re-use. Use proper safety equipment. Spill residuals may be washed down a process or sanitary sewer if federal, state and local regulations permit.

Section 8: Special Handling Information

Ventilation: Local exhaust
Protective devices: Rubber gloves, apron and goggles; NIOSH approved self-contained breathing apparatus should be available where appropriate ventilation does not exist.
Precautions to be taken in handling and storage: Avoid contact with skin, eyes or clothing. Do not ingest. Avoid inhalation of mists. Keep lid tightly closed. Store in a dry area, above freezing and below 105°F, out of direct sunlight and away from incompatible materials. Keep out of reach of children.

This information is presented in good faith; however, no warranty, expressed or implied is made.
