

BULK ATHLETIC FIELD MARKER

Seymour's bulk athletic field marking paint is ideal for making highly visible stripes on grass or artificial turf. This concentrate offers exceptional coverage and is safe for grass. It will not harm the players or stain uniforms, and can be applied by brush, roller, or airless spray.

Recommended dilution ratio: Two parts water to one part paint for white. For the other colors, do not exceed one part water to one part paint.

Coverage: Depending on the application method and spray apparatus, the diluted paint will cover approximately 1,000 linear feet per gallon at a 4-inch line width.

Suggested Uses:

Baseball/soccer/football fields
 Cross country events
 Marks on asphalt and concrete intended to last 3-6 months

Packaging:

Container	5 GALLON PAIL (19 LITERS)
Shipping Classification	None
Hazard Class	None
Flammability	Non-Flammable

Properties:

Cleanup	Soapy water
Flash point	none
Solids Content	33%
VOC content	<10 g/l
HAPS Content	0
Viscosity	100 Kreb Units
Storage Temperature	40-100F
Application Temperature	50-90F
Resin System	Acrylic
Weight	10.8 pounds per gallon
Shelf life	1 year

Dry Time*:

To touch	15 minutes
To recoat	Any time

*At 72F, 50% humidity,
 1.5 mil thickness

Gloss: Flat

Available Colors:
